

# Wonderful name

Vin-Cee

Oh Lord how excellent is your name  
Oh Lord how powerful is your name  
In all the earth how glorious is your name  
In all the earth how wonderful is your name  
Oh Lord how excellent is your name  
Oh Lord how powerful is your name  
In all the earth how glorious is your name  
In all the earth how wonderful is your name  
At the mention of your name every knee shall bow  
At the mention of Jesus every tongue must confess that you're Lord  
Your name is a strong tower, the righteous run in and are saved  
When we call on your name victory surely we get...  
In all the earth how glorious is your name  
In all the earth how wonderful is your name.  
Oh Lord how excellent is your name  
Oh Lord how powerful is your name  
In all the earth how glorious is your name  
In all the earth how wonderful is your name  
Reprise  
In all the earth how glorious is your name  
In all the earth how wonderful is your name  
Vamp:  
You are wonderful, Powerful, glorious is your name  
You are powerful, wonderful is your name (repeat)
