

Oshimiri Atata (River that never runs dry)

Preye Odede

Refrain:

Oshimiri Atata! (The Well/river that never runs dry)
Oshimiri Atata! (The river that never runs dry)
Oshimiri Atata! (The river that never runs dry)
Oshimiri Atata! (The river that never runs dry)
Whenever I call You, You're always there
As my source, Oshimiri Atata
Whenever I'm in need
You will supply my every need
Oshimiri Atata
Whenever I'm broken, You're there to heal me
As my healer, Oshimiri Atata
Oh Oshimiri Atata, my Everlasting God
Oh Oshimiri Atata, can you lift your voice
Oshimiri Atata!
Call Him! Oshimiri Atata!
Call Him! Oshimiri Atata!
Your God, Oshimiri Atata!
Dependable God, River that never runs dry
Never runs dry, River that never runs dry
No matter how much we draw from you
You can never run dry, River that never runs dry
Men may disappoint, Yes! And people may fail me
You alone will stay, Oshimiri Atata !
The doctors may give up, and say it's all over
In thee I put my trust, Yeah! Oshimiri Atata!
