

# I Lift My Voice To You

Frank Edwards

How I love to worship Your holy name  
I love to praise and adore You  
You deserve the glory and the honour  
Mighty God, faithful God, oh  
From age to age, You're still the same  
You never change  
You never fade  
You never let me down  
Take all the glory  
Take all the honour, I bring to You  
I lift my voice to You  
You're an awesome God  
I lift my hands to You  
Awesome God, awesome God  
I lift my voice to You  
You're an awesome God  
I lift my hands to You  
Awesome God, awesome God  
My heart, my soul, I give to You  
I bow to You, my Saviour and Friend  
Take all the glory  
Take all the honour  
I live to worship  
I live to praise; You alone  
I lift my voice to You  
You're an awesome God  
I lift my hands to You  
Awesome God, Awesome God  
I lift my voice to You  
You're an awesome God  
I lift my hands to You  
Awesome God, Awesome God  
Oh oh  
I lift my voice...  
Awesome God  
I lift my hand...  
Awesome God  
My voice to You...  
My hands to You...
