

# I won't back down

## Ephee

Many may stand as opposition to the righteous  
but the lord God delivereth them from all  
from the all  
many they be that stand against the gospel  
but the message would just keep marching on  
keep marching on  
till the whole world is filled with the knowledge of his goodness  
tender mercy and kindness of the lord  
till all earth knows his voice

### Chorus

I wont back down  
no I wont back down  
Ill stand upon your word I wont back down  
though the trials come my way  
in your name I overcame  
lord Ill stand upon your word  
I wont back down

### Bridge

yes the whole world will rejoice  
when the saints go marching on  
to every city, state and tribe  
lord your name to magnify  
yes Ill stand upon your word I wont back down
