

# Let It Rain

Frank Edwards

When I was a little boy  
My mama used to say to me  
Above all, let God be first in your life  
God is the greatest, she said  
Theres no other  
Ugochukwu Ugochukwu  
So here I am today  
As I lift my hands in praise  
And worship to Your name  
Theres no other God  
Let it rain, Let it rain  
Joy of Your presence  
As we worship You today  
Let it rain, Let it rain  
Anointing of Your Spirit  
As we worship You today  
Holy holy are You Lord  
Worthy worthy strong and breathtaking One  
I adore You  
What would I be without Your love  
What would I do without Your presence  
Chidinma otuto dirigi  
Great and mighty God, the Only God who never fails.  
Let it rain, Let it rain, Let it rain  
Joy of Your presence  
Let it rain  
Let it fill the hearts today  
Let it fill to overflowing  
Let it rain, Let it rain, Let it rain  
Thank You for the rain /2x  
Again and again  
Idi ebube, Imoranma  
Thank You Lord, Thank You Lord
