

All By Yourself

Kemi Falola

Who am I?
Who am I that you're mindful of me?
Who am I?
Who I be that you listen to me?
You are awesome in power
Awesome in your ways
You need nobody's help
To do the things you do
Cause
You are God all by yourself
No one like you
Halleluyah
Ooh halleluyah
Give God some praise
He's the ancient of days
He's the Lion of Judah
Beautiful beyond description
Wonderful beyond comprehension
Bright and morning star
You are God
Lord I love you
I adore you
Only you are God alone
I exalt you
I adore you
You are God forever more
You are God all by yourself
As long as I live, I will praise your name
Oh, thank you Jesus
Halleluyah
