

Know You more

Uty Pius

Lord I need you more than ever
I need a heart like yours to live
As the deer pants for water
My soul longs after you
Come fill my heart
Be glorified Saviour Redeemer
The one who watches over me
Take over draw me closer
I need a heart like yours to live
Send fires of revival
Renew my mind my soul my body
Take over draw me closer
I need a heart like yours to live I wanna know you more
I wanna know you more
Awaken my heart to you
