

Manifest

Geena Brooks

Another sunrise
A new dawn is breaking
Destiny calls out
To my awakening

Hook:

Its a narrow way
I pray everyday
all that I can say
Is take me there Oluwa

Oya oh oyaaaaa

This na the message we de bring come your way today eh
Make you lift up your hands and shout

Na your time to rise
Na your time to shine

Oya oya oyaaaaa

Oya manifest

Oya manifest

Oya manifest

Oya manifest

Verse 2:

A great army
Rising from within
Marching onward
There is no retreat

Hook:

Its a narrow way
I pray everyday
all that I can say
Is take me there Oluwa

Oya oh oyaaaaa

This na the message we de bring come your way today eh
Make you lift up your hands and shout

Na your time to rise
Na your time to shine

Oya oya oyaaaaa

Oya manifest

Oya manifest

Oya manifest

Oya manifest

Refrain:

you can move that mountain

You can cross that river

Oh yeah

You can be what you wana be
Get across the river
Become a winner
You will achieve if you believe
If God be for us
Who can be against us
If God be for us
Who can stand against us
If God be for us
Who can be against us
If God be for us
What can stand
