

Cry

Shower Power

Somebody touched me
Its the hand of the Lord
Somebody touched me
Its the hand of the Lord
Somebody touched me
Its the hand of the Lord
Well hes gonna shower
the holy ghost power
All over me
Somebody touched me
Its the hand of the Lord
Somebody touched me
Its the hand of the Lord
Somebody touched me
Its the hand of the Lord
Well hes gonna shower
the holy ghost power
All over me
Shower the holy ghost power
All over
Shower the
Holy ghost power
All over me
