

# Great are You Lord

Elijah Oyelade

Great are You Lord  
You are worthy to be praised  
I will praise You forever  
I will praise You forever  
I will praise You forever  
Amen  
You are dependable  
Your wisdom unsearchable  
Great are You Lord  
You are worthy to be praised  
You reign forever  
You are Jehovah  
Great are You Lord  
You are worthy to be praised  
Who will not worship a God like you  
You are so beautiful  
Darkness cannot stand before You  
Lord of light, full of Glory  
Ancient of days  
Miracle worker  
Thats who You are  
All of my days and forever  
You are my God  
Great are You Lord  
You are worthy to be praised  
You are marvelous and Glorious  
Powerful and Mighty  
Oh my God  
You are worthy to be praised  
You move the mountain  
You made a way where there is no way  
You are so beautiful  
You are worthy to be praised  
You have done what no Man can do  
broke the chains and You set me free  
put a new song in my mouth to sing  
Hallelujah! Hallelujah!!  
Mighty God the great I am  
Thats who You are  
I will praise you name, forever  
You are my God  
Great are You Lord  
You are worthy to be praised

I will praise You forever  
I will praise You forever  
I will praise You forever  
Oh Oh Oh  
I will praise You forever  
I will praise You forever  
I will praise You forever  
Amen  
I will praise Your name forever  
I will praise Your name forever  
I will praise You forever
