

Gratitude

Virginia Timothy (Jazzgirl)

Abba Father, which art in heaven.
Hallowed by the name. My gratitude, I give you all. For the sacrifice of your love and mercy.
It embrace me day and night.
So I am taking all my time, my strength, my voice. Just to tell you the sincerity of my heart.
Abba Father, thank you for your love.
Abba Father, thank you for your love.
Abba Father, thank you for your love.
My gratitude, I give you all
There were times that I felt your silence than I heard your voice.
Little did I know, little did I know.
You were working for my good.
Lord your word is ever true, yes it is.
And you sacrifice all for not asking anything in return.
So I am taking all my time, my strength my voice. Just to tell you the sincerity of my heart.
Abba Father, thank you for your love.
Abba Father, thank you for your love.
Abba Father, thank you for your love.
My gratitude, I give you all
Where I for dey, if no be for your love
Where I for dey if no be for your love
Where I for dey if no be
for your love
My gratitude, I give you all
