

# Control

Esther Oji

You're endless in description  
Too marvelous for words  
Far beyond exaggeration  
Your deeper than I think  
You hold the world in your hands  
Omnipotent father  
You are in control  
God of all my days  
The first and everything  
You are Yahweh  
All powerful  
You are Yahweh  
All powerful  
You are in control  
God of all my days  
The first and everything
