

# Holy Spirit

## Meddy

Verse 1:

I know I mess up all the time  
I'll never be perfect for you, no  
Believe and pray that's all I can right now  
Cryin' for you, waitin' for you to come set me free  
Heal with me, walk with me, everyday

Chorus:

I'm pushing harder and harder, it's not workin'  
Hear me one more time Holy Spirit.  
Holy spirit be my friend all the time  
Lover of my soul rescue me  
Oh Lord touch me oh Lord, Oh Lord touch me oh Lord

Verse 2:

Here I am, back again – can you see me?  
Say a word, I believe I'll be changed  
I need another chance, would you be my God  
I lost my way; come take me back  
I wanna sing my song: Hallelujah  
Help me please, sing with me – Hallelujah  
(Chorus)
