

# Shine Everyday

## Vumomse

Shine shine, shine everyday  
Shine shine, shine everyday  
Shine shine, shine everyday  
Shine shine, shine everyday  
Shine shine, shine everyday  
This kind of God, I've never seen  
Every day, every day  
Na ye blessings I dey see  
24/7 He's always there for me  
Na the reason I dey shine, Shine everyday  
Emmm, my life is a blessing  
All my dreams and my destiny  
In your hands my family  
Emmm, Under your canopy  
You go dey cover me  
And you give me security  
You dey bless my family  
Everyday, everyday, everyday, everyday  
Everyday na blessing blessing  
Shine shine, shine everyday  
Shine shine, shine everyday  
Shine shine, shine everyday  
Shine shine, shine everyday  
Which king God you get oh  
Na Big Big God oh  
Emmm, my life is a blessing  
All my dreams and my destiny  
In your hands my family  
Emmm, Under your canopy  
You go dey cover me  
And you give me security  
You dey bless my family  
Everyday, everyday, everyday, everyday  
Everyday na blessing blessing  
Shine shine, shine everyday  
Shine shine, shine everyday  
Shine shine, shine everyday  
Shine shine, shine everyday
