

# Seasons Greetings

## Alifted

Its December  
And Its seasons greeting time  
Its December time  
And again,  
its seasons greeting time  
This December time and I am very happy  
This December time I am very very happy,  
You want to know why?  
I will tell you why  
You see for me December time is very timeless  
Because I have another wonderful opportunity  
to share my divine timeless testimonies  
My divine testimonies of my Gods love for me  
My divine testimonies of my God's love for making me  
a blessed and brand new being  
this year ending 2018  
My divine testimonies of my God's love  
for rewriting my story with a holy spirit filled new beginning  
My divine testimonies of my multiple streams of blessing  
this year ending 2018  
Lord Jesus I want to say a biiiiiiiiiiiig thank you  
for giving me spiritual eyes  
to see my divine miracle  
this year ending 2018  
Lord Jesus I want to say a laaaaaarge thank you  
for giving me spiritual eardrums  
to hear my divine testimonies  
this year ending 2018  
Lord Jesus I want to say a greeeaaat thank you  
for strengthening my feet  
to walk into my divine blessings of 2019  
Oh, Jesus this coming year 2019  
only you Jeeesus, only you Jeeesus  
will be my bedrock  
as I tap into your covenant of uncommon grace that redeems  
Because  
I will put all my trust  
not in helpless human beings  
but in only you  
the risen king that was born this season  
to capture death and declare life  
Because I will put all my trust in only You Jesus  
the risen king that was born this season

to capture sickness and declare good health  
Because I will put all my trust in only You Jesus  
the risen king that was born this season  
to capture darkness and declare light  
Because I will put all my trust in only You Jesus  
the risen king that was born this season  
to capture burdens and declare blessings  
Because I will put all my trust in only You Jesus  
the risen king that was born this season  
to capture destruction and declare dominion  
Because I will put all my trust in only You Jesus  
the risen king that was born this season  
to capture barrenness and declare divine fruits of faithfulness  
Because I will put all my trust in only You Jesus  
the risen king that was born this season  
to capture impossibilities and declare divine possibilities  
My Lord Jesus  
I promise to walk with only you into 2019 and beyond,  
Please walk with me and hold my gentle hands  
not to go astray in 2019  
Thank you, Jesus, my morning of divine loving kindness  
Thank you, Jesus, my night time of divine loving faithfulness  
Thank you, Jesus, my wonderful counsellor my supreme creator  
Thank you, Jesus my alpha and Omega, the only author and finisher  
Thank you, Jesus my prince of peace the risen king  
Thank you Jesus my good shepherd and everlasting father  
Thank you Jesus (3x)  
ere
