

# Brand new life

Izylaugh

Verse 1:

My life was so worthless, everything so meaningless  
I was homeless and no place to go  
Helpless and jobless, hopeless and visionless,  
I was clueless and no place to go  
Help me oh Lord, am down on my knees  
I am restless and no place to go.  
A brand new life, that's all I need from you today  
Only you Lord can give it to me,

Chorus:

God has given me (brand new life)  
I am living the (brand new life)  
God has given me, (brand new life)  
(that's all need)  
That's all I need,  
He has given me (brand new life)  
I am living the (brand new life)  
God has given me (brand new life)  
'cause (that's all need)

Verse 2:

Lord am so grateful, my life is now meaningful  
You are faithful and thoughtful of me
