

# E seun

Kenny K'Ore

Take my life and let it be  
consecrated unto thee  
Im in love with You and me  
this is how its meant to be  
You can tell me what to do  
nothing is impossible  
Im alive because of You  
Lord Im here to worship You  
I wanna be saying Daddy e seun e seun  
I wanna be saying Daddy e seun e seun  
In my heart I run to YOu  
Ill do it again, Ill run to You  
what is life without you  
everything is made for You Lord  
You can tell me what to do  
nothing is impossible  
Im alive because of You  
Lord Im here to worship You  
I wanna be saying Daddy e seun e seun  
I wanna be saying Daddy e seun e seun  
Utterance  
I wanna be saying Daddy e seun e seun  
I wanna be saying Daddy e seun e seun  
Daddy daada I know You got my back  
Daddy daada You got my back
