

Just Like You

Jahdiel

I discovered when I pray
You answer me, You answer me
I discovered, every word I speak
They bring healing, they bring life
I discovered anything is possible
When I call Your name, When I call Your name
I discovered, just as You are
So I am, in this world

Chorus

Just like You, Jesus Jesus
Just Like You
You have made me in your image
Just like You
Just like You, Jesus Jesus
Just like You
You have made me in Your image
Just like You
You made me just like You (x4)

Verse 2

I am an heir of God
Joint heir with Christ
You made it so, You made it so
The world is mine
I know who I am
You made it so, Jesus You made it so
I am born of God
I overcome the world
You made it so, Jesus You made it so
I reign in life, I have all I require
You made it so, Jesus You made it so

Chorus

Just like You, Jesus Jesus
Just Like You
You have made in your image
Just Like You
Just like You, Jesus Jesus
Just like You
I can move any mountain
Just like You
Just like You, Jesus Jesus
Just like You
I can walk on waters
Just like You

Just like You, Jesus Jesus
I can calm any storm, Just like You
You made me just like You (x4)
I can heal the sick, just like You
I can raise the dead, just like You
I can move the mountains, just like You (x3)
I can calm the storm
I can walk on waters
I can do anything, just like You
Just like You, Jesus Jesus, Just like You
You have made me in Your image
Just like You
I'm Just like You
