

You dey with me

Folabi Nuel

I know your words weigh more than feelings
when I don't feel you
I'll sing till every part of me sings
You dey with me
I know your words weigh more than feelings
when I don't feel you
I'll sing till every part of me sings
You dey with me
You dey with me
You dey with me
You dey with me
You dey with me
God my heart knows
You never leave me alone
so the days when my feelings don't flow
I'll still hold on to all that I know
I'll sing till every part of me sings
You dey with me
You dey with me
You dey with me
You dey with me
You dey with me
You dey with me
You dey with me
You dey with me
You dey with me
Oh oh oh oh oh
I'll be dancing in the middle of the fire
Oh oh oh oh oh
I'll be walking on water with Jesus
Oh oh oh oh oh
I'll be dancing in the middle of the fire
Oh oh oh oh oh
I'll be walking on water with Jesus
Oh oh oh oh oh
I'll be dancing in the middle of the fire
Oh oh oh oh oh
I'll be walking on water with Jesus
Oh oh oh oh oh
I'll be dancing in the middle of the fire
Oh oh oh oh oh
I'll be walking on water with Jesus!!
You dey with me

You dey with me
You dey with me
You dey with me
You dey with me
You dey with me
You dey with me
You dey with me
On the water water walking now
You dey with me
In the fire fire dancing 'cos
You dey with me
On the water water walking now
You dey with me
In the fire fire dancing 'cos
You dey with me
