

Grace

Calledout Music

VERSE

Jesus, you took the pain
And the suffering for me
You grabbed me
From the clutch of sin and set me free
It's amazing how You love me
In spite of my weakness
You leave me speechless
It's Your grace that makes me strong
In spite of my weakness
You leave me speechless

CHORUS

It's by Your grace I'm alive today
It's by Your grace I am where I am
It's by Your grace that today I'm saved
Grace that will never give up on me
Grace that will never give up on me
