

You Are Good

Tobiloba

I give you praise
I give you worship
Cos only you are good
Only you are God.

Verse:

Let the prince's bow before you
Let the whole world chant your praise
You remain my love and my fortress
No one else can take your place
Through the thick, through the thin, you've been there

I can tell

You're Just the faithful friend,
Cos only you are good,
Cos only you are God.

Chorus:

"Cos only you are good,
Only you are God. (2ce)

Duet in French version

Car toi seul tu es bon

Toi seul tu es Dieu

Call: Cos you are good

Res: So good, really really good!! (3ce)
Oh Oh Oh oh oh oh oh oh oh oh oh oh oh

Saviour, Redeemer

Beautiful one, My healer

I give you worship.
