

Bigger

Shemen Godwin

Someone Bigger than me
Living inside of me
Someone Bigger than death living inside of me
Im bigger than what you see
Im bigger than what you think..
Someone Greater Living inside of me..

(Lets Go)

Someone bigger than me
Living inside of me (*2)
Im bigger than what you see,
Im bigger than what you think..
Im a thousand Times
Bigger than what you see
Im a thousand times
Bigger than what you know
Im bigger than what you see
Im bigger than what you think.
Its the Holy Ghost living inside of me (*2)
Im bigger than what you see
Im bigger than what u think.
Oh oh oh oh oh (*2)
Im bigger than what you see.
Im bigger than what you think..
