

# Your Presence is Home

Marcus Joseph

Verse 1:

When the trials of life choked me in  
Couldnt breathe so I searched for a place of relieve  
Needed a friend to lean on so I turned to you.  
You wrapped me in your arms and told me itll be OK.

Bridge:

When the storms arise,  
Ill always find safety,  
In your presence,  
When all hope is gone,  
Ill always find strength (to forge ahead)  
Now and always.

Chorus:

Where I choose to be  
Is in your presence  
Day by day  
Basking in your love  
Behold the beauty  
If your majesty  
Your presence  
Is where I found home/2ce

Vamp:

Though I walk through the shadow of death  
Though I walk through the desert dry  
I won't fear as long as you are with me  
Youll carry me and Ill fly.
