

I depend on you

Wale Adenuga

I cannot help myself oh Lord
Jesus, I depend on You
I cannot find my way oh Lord
Jesus, I depend on You
Repeat 2 times

Chorus

I depend on You Lord
Jesus, I depend on You
I depend on You Lord
Jesus I depend on You
For You are stronger than I am
o Lord I depend on You
and You are greater than I am
so Lord, I depend on You
and You are higher, so much higher than I am
o Lord, I depend on You
and You are wiser than I am
O Lord, I depend on You

Chorus 2X

I have walked with you (echo)
You have never failed (echo)
And You are not about to (not about to)
this I know
Repeat 2X
I depend on You
