

# One Love One World

## Psalm Ebube

### Verse 1

Its time we make the call  
Make we all arise  
Tomorrow will be a reflection of the things we do today  
Forget about your race Ouh Yeah  
Let the light of your soul wash of the darkness foe  
Let the love from your joyful bowl  
Feed all the dying soul

### Hook

All we need is one love, one Love, one Love  
The kind of love from above, above, above  
God has made us as one, as one, as one  
There'll be no more pain no more worries Make we stay together

### Chorus

I believe  
(We can make this world be a )  
Better place  
(Theres power And ability )  
If we believe  
(We can make this world be a)  
Better place

### Verse 2

We fit get different colours  
But in love we see ourselves as one  
We are strong if were UNITED  
But we are weak if were divided  
Where theres Unity theres victory  
Even the weak get power in their Unity  
If must Prosper we need each Other  
So You and me can make the world a better place.

### Hook

Bridge:

I can see the future in your eyes,  
My humanity is bound in yours and yours in mine
