

Open Up

Dunsin Oyekan

Intro

Open up

Let it flow now

Open up!

Verse

Out of the mundane

To where I'm ordained

For things that were made

Were made from things unseen

There are realms of glory

For my world to see

Dimensions found only

In Jesus Christ the Son

Chorus

Channels of my spirit

Open up!

I am with the Father

Open up!

No boundaries No limits

Open up!

Let deep call unto deep

Open up!

Out of my belly shall flow

Rivers of living water

Chorus

Bridge

Let it flow flow flow

Let the River Flow
