

Kosi

Sir Danny

You used a rod to part the red sea
You used a sand to heal a blind man
You broke the law and walked on water
What a mighty God you are
You shot the lions mouth to Daniel
The three Hebrew boys went through the fire without a burn
You made an axe to float on Jordan
What a mighty God you are
Is there anyone like Jesus (Kosi ooooooo)
Who bled and died for me (Komasi ooooo)
And gave me victory (Kosi ooooooo)
Hallelujah (Komasi).
You raised Lazarus from death(mightyGod)
You died and rose again the third day
You caused my star to shine again(thankyouJesus)
What a mighty God you are
You turned my mourning into dancing
You gave me beauty for ashes
You put a new song on lips(thankyouJesus)
What a might God you are.
Is there anyone like Jesus (Kosi ooooooo)
Who bled and died for me (Komasi ooooo)
And gave me victory (Kosi ooooooo)
Hallelujah (Komasi).
