

# Our God Is Awesome

Neville D

Our God is awesome X3  
Yes he is and forever he reigns  
Our God is awesome X3  
Yes he is and I will stand upon hes word  
If he said it then I believe him  
If he promised he will do it  
I shall not worry about tomorrow  
For I know my God is in control  
El-shaddai, Adonai, Elohim, King of Kings  
And he reigns forever more  
And forever I proclaim

1 Repeat

Our God is awesome, Yes he is awesome, Our God is awesome  
And forever he reigns

Our God is awesome, yes he is awesome, our God is awesome X3

Yes he is and I will stand upon hes word  
If he said it then I believe him,  
If he promised he will do it  
I shall not worry about tomorrow  
For I know my God is in control  
El-shaddai, Adonai, Elohim, King of Kings  
And he reigns forever more  
And forever I proclaim

Jesus my healer, my healer, Jesus my healer  
Yes he is and forever he reigns

Jesus my healer, my healer, Jesus my healer  
Yes he is, and I will stand upon hes word

If he said it then I believe him,  
If he promised he will do it  
I shall not worry about tomorrow  
For I know my God is in control  
El-shaddai, Adonai, Elohim, King of Kings  
And he reigns forever more  
And forever I proclaim

We serve a miracle X3

Working God and forever he reigns

We serve a miracle X3

Working God and I will stand upon hes word

If he said it then I believe him,  
If he promised he will do it  
I shall not worry about tomorrow  
For I know my God is in control  
El-shaddai, Adonai, Elohim, King of Kings

And he reigns forever more  
And forever I proclaim
