

Our God is awesome

Loyiso Bala

Our God is awesome
Our God is awesome
Our God is awesome
Yes He is
And Forever He reigns
Our God is awesome
Our God is awesome
Our God is awesome
Yes He is
And I will stand upon His word
Cause if He said it
Then I believe Him
If He promised
He will do it
I shall not worry
About tomorrow
For I know
That my God is in control
ElShaddai, Adonai,
Elohim King of kings
And He reigns forever more
And forever I'll proclaim
Jesus my healer
Jesus my healer
Jesus my healer
Yes He is
And Forever He reigns
Jesus my healer
Jesus my healer
Jesus my healer
Yes He is
And I will stand upon His word
Cause if He said it
Then I believe Him
If He promised
He will do it
I shall not worry
About tomorrow
For I know
That my God is in control
ElShaddai, Adonai,
Elohim King of kings
And He reigns forever more

And forever I'll proclaim
We serve a miracle
We serve a miracle
We serve a miracle
Yes He is
And Forever He reigns
We serve a miracle
We serve a miracle
We serve a miracle
Yes He is
And I will stand upon His word
Cause if He said it
Then I believe Him
If He promised
He will do it
I shall not worry
About tomorrow
For I know
That my God is in control
ElShaddai, Adonai,
Elohim King of kings
And He reigns forever more
And forever I'll proclaim
I will proclaim
Our God is awesome
