

# Yaweh

## Nechi

Lord of all the Earth  
Master of the universe  
I worship  
I worship  
Who can say a thing  
And it comes to pass  
When youve not spoken  
Yaweh, yaweh  
Yaweh, yaweh  
I worship you  
I worship you  
Yaweh, yaweh  
I worship you  
I worship you  
At the mention of your name  
Diseases bow  
Yaweh, yaweh  
At the mention of your name  
Demons they tremble  
They cant withstand you oh God  
Yaweh  
Yaweh  
Chorus  
Yaweh, Yaweh  
I worship you  
I worship you  
Yaweh, Yaweh  
I worship you  
I worship you  
Yaweh, yaweh  
I worship you  
I worship you  
Yaweh, yaweh  
I worship you  
I worship you  
Yaweh, yaweh  
I worship you  
I worship you  
Youre highly lifted up  
Youre highly lifted up  
Yaweh, yaweh  
Youre highly lifted up  
No one can do the things that you do

Yaweh, yaweh
