

Alagbara

Almira

VERSE 1

Our strength, our great healer,
You healed the sick,
Healed the broken hearted.
You conquered diseases and pain,
We look to you,
Our great physician.
You were bruised for our sake,
So we can have life to live again.
My faith has found a resting place,
My hope is in you O' God.

CHORUS

Alagbara (The Powerful God)
Awimayehun (The unchangeable changer)
Arugbo ojo (The Ancient of Days)
Ti iponju ba de baba (When Difficulty comes father)
Mi oni fi o si le, (I will not leave you alone)
Mi oni fi o si le. (I will not leave you alone)
(Twice)

VERSE 2

Who made the baby in the mother's womb?
Who made the stars to shine so bright?
Who put the sun in its place?
And the moon where it is?
Who made the waters not to overflow?
It's enough for me that Jesus saves,
When the heart for mercy craves,
By his death and endless life,
Shout salvation full and free.

CHORUS

Alagbara (The Powerful God)
Awimayehun (The unchangeable changer)
Arugbo ojo (The Ancient of Days)
Ti iponju ba de baba (When Difficulty comes father)
Mi oni fi o si le, (I will not leave you alone)
Mi oni fi o si le. (I will not leave you alone)
(Twice)
