

The Way You Father Me

Elijah Oyelade

Anybody love the Lord
Lift your hands
Lets worship him
His love is everything
I feel love
I feel your presence over me
I feel love
I feel your power over me
His power is everywhere is touching your life
I feel loved
I feel his presence all over me
from my head to my toes I feel loved
I feel loved
I feel your power everywhere
receive his presence
Thank you Jesus
Chorus
This is the way you father me
I love the way you father me
Hallelujah Thank you Jesus
You touch my eyes so I can see
You are making me to be like you
You touch my heart so that I love you more
You are making me to be like you
You touch my ears so I can hear your word
You are making me to be like you
You touch my mind so I can know you better
You are making me to be like you
Father I love you
I do
Jesus I love you
Spirit I do
Its all about you
It is all about my life
There is no me without you
No me without you
I need you more than yesterday
I can do nothing on my own Lord
I need you more than ever
I need you more than yesterday
Youre my tomorrow
Youre the passion I have
Youre the future I see

There is no more without you
Hallelujah lift your hands and surrender to him
I surrender Lord I surrender
My life to you I surrender
I surrender All to you
Everybody lift your hand
Cast your burdens upon the Lord
Cause he cares for you
I pledge my allegiance to you
I surrender to you Jesus
I love you Lord
Take my hands and use me Lord
