

This is the Day

Evans Ogboi

Ooo ooooo

Chorus

This is the day the lord has made
I will rejoice, be glad In it
For your goodness and your mercies
They are new every morning

This is the day

The Lord has made

I will enter his gates with thanksgiving
Enter his courts with praise

I will sing and shout

I will clap my hands

Rejoice for this is the day

THE LORD HAS MADE

Verse

I will enter his gates with thanksgiving
Enter his courts with praise

I will sing and shout

I will clap my hands

Ill rejoice in him

For this is the day

I will celebrate

I will shout his praise

I will bless his name

For this is the day

I will sing and shout

I will clap my hands

Rejoice for this is the day

THE LORD HAS MADE

I will rejoice and be glad in it

I will enter His gates with thanksgiving, rejoice
