

God of Heaven

Dr. Paul

Verse 1

I come here to worship
The maker of heaven and earth
Before all the angels
And host of believers here
I lift up my eyes and I look up the hills far and near
And who is my helper My helper is the Lord.

Chorus

God of all the heavens
God of all the earth
God of all the universe
I lift up my hands in worship
God of all the heavens
God of all the earth
God of all the universe
I lift up my hands in praise

Verse 2

I've been to the nations
I've been to the lands far and near
I've seen your compassion
Written on everything
Your wonderful blessings
Your power and glory Lord
Your goodness and mercy
Breathing on everything.

Coda

Oh oh oh
Oh oh oh
Oh oh oh
I worship your majesty
