

God in Me

Jonathan Kome

Chorus:

God In me

I in You forever

You are all that matters to me

You are all that matters to me

Verse:

The system of this world has failed

But You alone stands

You are the true God and King

When the whirl wind of the world blows

You are the Anchor I need

Patiently I will follow

Patiently I will hear thee

Patiently I will live this life life for you

Chorus:

God In me

I in You forever

You are all that matters

You are all that matters to me

Verse 2:

Your breath I breath

Your looks I have

Truly I am Yours

Teach me to Love the way

And Hate the way you hate

I see the Pathway for me/us just to find my/our way to You

Patiently I will follow

Patiently I will hear thee

Patiently I will live this life life for you

Chorus:

God In me

I in You forever

You are all that matters

You are all that matters to me

Bridge:

I give my life just to gain yours alone

Cos I realise that all I need is you

Teach me how to walk with you with my ears and not my eyes

So the world will see that you live through me.

Repeat Chorus

Refrain:

You in me

I in you Forever(4times)ma

Forever
