Verse

Who am I
That you're mindful of me
That you hear me when I call
who am I
that you're mindful of me
that you hear me when I call
Amazing grace, how sweet the sound
That saved a wretch like me
See I was lost, but now am found
Was blind but now I see

Chorus

Cause You have done what no man can do
You still do what no man can do eee
You have blessed like no man can bless eee
You still bless like no man can bless eee oh yeah

Repeat verse

Chorus

You have done what no man can do
You still do what no man can do eee
You have saved like no man can save
You still save like no man can save eee
You have blessed like no man can bless
You still bless like no man can bless eee

Bridge

Jesus na you

After all I've been through
Your grace brought me through
So I say oh oh oh oh oh, oh oh oh oh oh oh
Somebody say oh,
for your goodness
For your kindness
For your mercy
Oh oh, oh oh, ohhhh

Chorus

have done what no man can do
You still do what no man can do eee
You have saved like no man can save
You still save like no man can save eee
You have blessed like no man can bless
You still bless like no man can bless eee

If He did it before
He can do it again

Just believe
Oh ohhhhhh
Thank you Jesus
Thank you Jesus.
