None Like You

Eloho Efemuai

Hallelujah Oh thank you Jesus Bless your name I worship you Lord Sing unto the Lord Chorus: I magnify you Lord I glorify you Lord In all the earth There's none like you (2x) I worship you Lord I honour you Lord In all the earth There's none like you (2x) In all the earth There's none like you Hallelujah Jesus there's none like you Verse 1: Creator of the earth Creator of the universe In all the earth There's none like you (2x) Jesus You are mighty You are excellent In all the earth There's none like Jesus You're merciful In all your ways In all the earth

Call: In all the earth
Resp: There's none like you
Call: I searched all over
Yet I couldn't find
Resp: There's none like you
Call: From ages past
You've been God yes you are
Resp: There's none like you
Call: No one could love

There's none like (2x) Verse 2: Like you love me God Resp: There's none like you

Vamp:

There's none like you Oh God

There's none as faithful as you father There's none as righteous as you You are bigger than the biggest

Oh God

You are greater than the greatest oh God Your name Jesus is higher than any other name

Glorious you are

Glorious you are

Oh God

Amazing you are

How excellent is your name

In all the earth

We give thanks

We give you glory

We give you the honour

We worship you for who you are

For who you are

You are beautiful beyond description

Your are faithful in all your ways

You do mighty things

You do great things

There's no one like you Jesus

There is no one like you father

You are amazing God

You are a good good good father

We just want to declare our everlasting love for you

Hallelujah to your name

Hallelujah to the king of Kings

Hallelujah to the Lord of Lords

There's none like you Jesus

Blessed be your holy name

Hallelujah
