

No One Can

Women In Praise

No one can separate
No one can come between us
For you are Mighty
and IM yours
Lord Jesus, i want to tell you
That I love

No one can separate
No one can come between us
For you are Mighty
and IM yours
Lord Jesus, i want to tell you
That I love

No one can separate
No one can come between us
For you are Mighty
and IM yours
Lord Jesus, I want to tell you
That I love

For you are Mighty
and IM yours
but Jesus, I want to tell you
That I love

Lord Jesus, I want to tell you
That I love You

Lord Jesus, I want to tell you
That I love You

Lord Jesus, I want to tell you
That I love You

Lord Jesus, I want to tell you
That I love You

Lord Jesus, I want to tell you
That I love You

Lord Jesus, I want to tell you
That I love You

Lord Jesus, I want to tell you
That I love You

Lord Jesus, I want to tell you
That I love You

Lord Jesus, I want to tell you
That I love You

Lord Jesus, I want to tell you
That I love You

Lord Jesus, I want to tell you

That I love You
Lord Jesus, I want to tell you
That I love You
Lord Jesus, I want to tell you
That I love You
