Verse

Oh How I love You, love you forever  
With all of my heart, I will proclaim You now,  
I will exalt You, exalt You forever  
With all of my spirit will I testify

Pre-Chorus

The angels cry Holy, Holy is the Lord  
We bow down in reverence to You and You alone

Chorus

Great and Mighty are You Lord  
Awesome is Your name  
Great and Mighty is our King  
Awesome is Your name
