

Love Story

Splendour

Intro.

I had no idea it was because of me.
He left his throne to become the carpenter's son.
Kedu ihunanya nke karariri nke a?
(What manner of love is greater than this?)
What kind of love is this?

Hi

I have a story about my lover and I.
I hope you'll like it.

Chorus:

What kind of love is this 4x
Kedu ihunanya nke karariri nke a?
(What manner of love is greater than this?)
What kind of love is this?
Ewo! Akuko uwa mu oo. (Story of my life)

Verse 1.

The first day that he came to my house I was drinking and dining.
Osirim (He told me?) babe I want you to be mine, but I started laughing.
I roll with kings and people on jets and not with those on canoe.
So I went to the door and I shut it, but he didn't feel insulted...
The next time he came I was in a mess.

Verse 2

I was in so much sorrow in pain and in debt.
He took the chalice of my sorrow and he drank it all. He paid all my debt.
Kept coming over and over and over again.
No matter how many times I said no no no no no no no
Ewo... Ihunanya.

Verse 3.

That's how I fell in love. (Now his presence amazes me)
The icing on the cake is: obuya bu eze ndi eze (he's the king of kings)
ihunanya nke karariri nke a (Love greater than this) is so rare.
What kind of love is this?

Ehe...

Chorus. 2x

Bridge:

Hey. Ihunanya mu. (My love)
My darling.
Your touch is amazing.
Kedu ihunanya nke karariri nke a 3x
Onye hurum n'anya. (My lover)
