

# Mighty

[KBell](#)

Come on now  
Let's praise again  
Put on the armor of worship  
Greater is he that lives in us  
Than he that lives in the world  
Though we've been through  
Ups and downs  
When we walk through  
The valley  
We shall fear no evil  
We shall fear no evil  
Against them  
With a mighty hand  
He has rescued us  
We won't be bound no more  
Against them  
With a mighty hand  
He has rescued us  
We won't be bound no more  
Oh Oh Oh Oh  
We serve a mighty God  
Oh Oh Oh Oh  
We serve a mighty God  
Come on now  
Let's Praise again  
Put on the armour of worship  
To the most high  
That lift us high  
World greatest  
Ever sufficient  
He's done it before  
Will do it again  
When enemy  
Comes like a flood  
He'll raise standard  
None can contend it  
He'll raise a standard  
None can contend  
Against them  
With a mighty hand  
He has rescued us  
We won't be bound no more  
Against them

With a mighty hand  
He has rescued us  
We wont be bound no more  
Oh Oh Oh Oh  
We serve a mighty God  
Oh Oh Oh Oh  
We serve a mighty God  
Hes  
The Life changer  
Chain breaker  
Unquestionable  
His faithfulness are  
New each day  
Hes all able  
All powerful  
Though  
All hell were  
Let loosed on him  
Still;  
Death couldnt hold him down  
Grave couldnt pin him down  
He died but rose  
That you and I  
Might live to praise  
With all our lives  
Lift up your head  
Oh ye gates  
Be lifted up everlasting doors  
The king is coming  
Yeah!  
Our God is mighty  
So mighty  
They tried to stop him  
They Cant stop him  
In him I live  
I have my being  
You can speculate  
You cant stop me now  
His got the ace  
Last Joker  
Winning ways  
That is his ways  
The time is now  
Get his Praise On  
Oh Oh Oh Oh  
We serve a mighty God  
Oh Oh Oh Oh  
We serve a mighty God  
Oh Oh Oh Oh

We serve a mighty God  
Oh Oh Oh Oh  
We serve a mighty God
