

God Alone

Joyous Celebration

The creator of heaven and of earth
Son of the invisible, o God
Above all thrones and powers
Rulers and authorities
You alone are God and God alone
All things hold together in Your name
You're the head of your body, the church
The first born to be raised from the dead
Then in all things you have bring eminence
You alone are God, God alone
I worship you for who You are
I give you praise for all you've done
I lift my hands in all your splendid works
You alone are God and God alone
