Oh oh oh oh (2x)

Its a simple song,  
and It says!!!

Roaming all over the world (2x)

Not knowing what to do.

I put in my trust in men  
Hopping on a mortal man  
But they all let Me down.

No man on earth  
Would love me like  
The way you do,  
Your love to me  
Is worth more than  
Silver and gold.

Chorus:

You are my Ebenezer

My help (4x)

(choir repeat verse)

Chorus:

Oh oh oh oh (2x)

Oh oh oh My help.

Bridge:

I dont deserve it (2x)

I dont deserve your help

I dont deserve it (2x)

I dont deserve But for grace.

Call: I dont deserve it

Resp: I dont deserve it (2x)

I dont deserve it

I dont deserve

Your help

Call: I dont deserve it

Resp: I dont deserve it

(2x)

I dont deserve it

I dont deserve

But for grace.

Repeat chorus with

Oh oh oh oh

(2x)

Can I tell you something  
If a man on earth helps you,  
He goes at your back and begins to tell people that he made you.  
And if you do something wrong to him  
He comes to you  
to your face and then tells you without him you would have been nothing.  
But ladies and gentlemen,  
There is a man,  
If He helps you, a third party wont hear about it.  
They only see results and then they come to you to ask, brother, how did you do it?  
His name is Jesus.  
(Repeat chorus)
