

# Great Is Our God

## Ama Shallangwa

### Verse

All creation bow before him, every nation every tongue they worship you  
You alone deserve all glory, forever Lord you'll be exalted above all things  
To you oh God, is the greatness, is the power, the glory and majesty  
You reign on high, now in splendour  
Your name is lifted above all things

### Chorus

Great is our God and greatly to be praised  
In the city of our God, in the mountain of his holiness

### Bridge

Sing Praise, we give you Praise  
Sing Praise, we give you praise  
Hallelujah, hallelujah
