

Jesus We Love You

Eloho Efemuai

Verse 1

The chains that held me bound, your love has broken
The shame that once was mine, your blood has stolen
Your grace has set me free, I have been chosen
My debt your death has paid, your blood has spoken

Chorus

Jesus lamb of God we love you
Saviour we pour our love on you

Verse 2

Once I was lost but now I am found in you
The curse that stole my purpose is now no more
The darkness of my past, gives way right now
Redemption calls my name, I stand secure

Chorus

Jesus lamb of God we love you
Saviour we pour our love on you
Jesus lamb of God we worship you
Saviour we pour our love on you

Bridge

Oh oh oh, oh oh oh oh oh oh oh
Oh oh oh oh oh
Oh oh oh, oh oh oh oh oh oh oh oh oh

Chorus

Jesus lamb of God we love
Saviour we pour our love on you
