

# Mbana Ila (Thank You Lord)

Zoe Harris

Chorus:

Nana-Owei.. Mbana Ila  
Nana-Owei.. Mbana Ila  
Nana-Owei.. Mbana Ila..  
Nana-Owei Mbana Ila.

Verse:

I read the story how You came  
And You went about  
Everywhere You're doing good  
And how You made the blind to see  
The lame to walk  
And You even raised the dead  
The barren woman You gave Children  
You lift the poor to make them rich  
Healing diseases everywhere  
Chai! Till today You still do  
There is something about Your Name  
That is more than words could say  
From the bottom of my heart  
I sing this song to You  
Nana-Owei oh oh oh oh oh  
Repeat Chorus (2x)  
Listen, I go praise Your Name  
(Wellu Wellu)  
I go dance for You  
(Wellu Wellu)  
I go halla Your Name  
(Wellu Wellu Wellu Wellu Wellu Wellu Wellu)  
(4x)  
Spoken (Izon Language)  
Thank You Jesus  
There is something about Your Name  
That is more than words could say  
From the bottom of my heart  
I sing this song to You  
Nana-Owei.  
Repeat Chorus till end
