I have dominion over sickness and sin
I'm no longer bound, by the chains of darkness
He paid the price so I can be free
I have dominion I'm a walking miracle

He lives in me x3
I'm a walking miracle
He lives in me x3
I'm a walking miracle

Verse 2:

His name is Jesus the lifter of my head
The same today, tomorrow & forever
He saved my soul from death and condemnation
I have dominion, I'm a walking miracle

Chorus:

He lives in me x3
I'm a walking miracle
He lives in me x3
I'm a walking miracle

Bridge:

No more sickness No more pain
No more heartache no more tears
I'm a winner; I'm a walking miracle.... X2

Chorus:

He lives in me x3
I'm a walking miracle
He lives in me x3
I'm a walking miracle
