

The Olowogbogboro Anthem

Nathaniel Bassey

Ko soun too le se God (Theres nothing You cannot do, God)

Heaven and earth adore you God

Your outstretched arm has given us victory

Miracles signs and wonders come from You

Testimonies just like that o!

Words are not enough to tell of all Youve done

CHORUS:

Olowogbogboro is turning things around/3x

For my good

Who would have thought Lord (never imagined)

That You would move this way God

You whose path none can trace

Oluwa mi, mighty are your ways

You have done more than I want o!

There is nothing more to say

CHORUS:

Olowogbogboro has turned things around/3x

For my good

BRIDGE:

Things have turned around for me

Now Im walking in victory

Jesus turned it around for me

He has given me victory

We will shout Halleluyah

We will shout praise the Lord

We will dance in the spirit

And rejoice in Your name

From sunrise to sunset

We will shout praise the Lord

At the blast of the trumpet

Let Your praise fill the earth

CHANT:

OLÓWÓGBOGBORO!!!!
