

Love Around

Calledout Music

Verse

I've been searching
Searching far and wide
For love that could
Only be found in You
Perfect always, is Your unfailing love
Its all in You, my Jesus
Ohhh (never changing, never failing)

Ohhh

Chorus

Your Love is All Around
Around, Around (x2)
You never let me go
You've turned my life around
Around, Around (x2)
You never let me go

Bridge

All of my scars
All of my pain
All my mistakes
You've washed away
Got me singing like
Oohhh never changing, never failing

Oohhhh

Chorus (x2)
