

I'll value Your name

Victory Usifoh

Chorus

I'll value your name
Than the name of affliction.

I'll value your name
Than the name of sickness.

Your name is powerful,
Your name is wonderful,
Your name is glorious,
And that name is Jesus.

Verse

In Jesus name
I can conquer every trouble,
Stand against affliction,
I'll overcome
In Jesus name
I am free from every chain,
No more bondages,
Jesus did it all.
